SEEDS OF GRACE

March 2017

WISH LIST

Over the years a lot of needs have occurred at the pantry and we have always had those needs met. God is faithful! We have a new wish list for this year and wanted to share with you to see where you might be able to help. Not everyone is able to help financially, but may be able to serve in one of the ways listed below. Whatever God puts on your heart, is the way in which you can serve Dalton's Food Pantry. All items requested should be delivered to 3326 W. 10th Street.

What does it mean to have vision from God?

Without revelation people run wild but one who keeps the law will be happy. Proverbs 29:18

Recently, after praying with a blind man, I asked myself this question, "What would be worse than being blind?" My answer was spoken through the Holy Spirit quickly in response, "J.R., to have sight without vision."

Many people have physical sight but lack true vision for their life, their family, or for their church. I looked up and googled the definition of vision - *may be defined as the ability to see, awareness or unusual foresight.*

The vision I am speaking about is "seeing" things God's way. Trusting God in a helpless situation and your back is against the wall, but Jesus is the wall. God is a God of vision. God sees Abraham, the father of many nations. He saw David, the shepherd, boy of a king. He saw Mary, a humble virgin girl, the mother of the Savior of the world. God sees in you what nobody else can see. God desires to give you a vision for your life, family and church.

We receive a clean vision by humbling ourselves before God. We receive a clear vision by listening to God as He speaks to our hearts. I feel God desires to fill your heart with a passion to become more than you are and to do more than you have ever done and to live Kingdom focused life. If you have committed your life to Jesus Christ and yet you still lack vision, you are missing out on God's best. Today I ask you to "seek God with passion and He will give you the vision to live a fulfilling life." For God's Glory! Praise Him!

God is speaking to you now as you read this article but you're in a hurry and life is all about you. My Bible says, "J.R., be still and know I am God." Psalm 46:10. God's not lost, you are. Remember you can't drive your car in the dark without the headlights on. You're living in a daily fog and Christ is nowhere to be found in your life. Panic attacks happen and you cry out for Jesus. You treat God like an attorney - you only call him when you need him and the truth is God wants all of you 24 hours a day. God knows those who have done you wrong. I pray for you and your family for clear vision. Put your vision of life in the hands of God. We all go through the fire of hell. Stay focused, the fog in your vision will lift. You will receive 20/20 vision—God's vision. Now use your time and energy to move towards your God-given destiny.

God Bless,
J.R. Dalton

ministry growth

financial support

Dalton's Food Pantry is grateful for you and your support. God is leading us toward growing our ministry in 2017. In an effort to do so, we need financial support as well as volunteers. Please be praying for the ministry and our direction. The need in the Haughville community is great and it's our desire to help more families, especially the children in the community during 2017. It is our belief that if we can change the lives of the younger generation, they will have hope for a future. Many of these people are caught in a cycle of desperation and hopelessness; we call it a generational curse. It is our dream to pull the children out of the dark cycle of hopelessness and show them the light and hope of Jesus.

Please join us! Whether you can give financially or through volunteering or in prayer, we need you. Prayerfully consider how you can be involved in this outreach and how you can help make the difference in the future of the lives of the children from Haughville.

Did you know that by giving \$10.00 a month, it will help us provide enough food to feed a family of 5 for a week? Just think the impact you will have on someone's life who you don't even know - but God knows your heart and your service to him through this ministry. Donations can be made through our website (www.daltonsfoodpantry.com), by calling the office at 317-955-2581 or mailing a check to 3326 W. 10th Street, Indianapolis, IN 46222.

For they gave according to their means, as I can testify, and beyond their means, of their own accord... 2 Cor. 8:5

What have you done for GOD today?

The week before Easter — Jesus arrived in town. He washed feet. He ate with friends. He was arrested, tried and convicted. He was hung on a cross. His tomb was found empty. Here is the reality: God become flesh and fulfilled prophecy by riding into town on a donkey. Jesus, who is God, washed souls. He was and is the Passover Lamb. He became sin. He endured the wrath of God. He conquered death. For us...Celebrate! This is not a sad week. We are joyful that He came, washed, paid and conquered.

Holy week begins on Sunday, April 9 and ends on Saturday, April 15, followed by Easter on Sunday, April 16. We encourage you to humbly spend time with God the week before Easter, thanking Him for His sacrificial and unconditional love. *For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.* John 3:16
